## One Story I'm Proud Of

My brother Nick Avis cycled 12,608 km across Canada from Tuktoyaktuk - Victoria - St. John's. I introduced him to Raven Trust and he raised \$15,700 to support justice for Indigenous Nations on his journey. I joined Nick cycling from Kitchener to Toronto and matched donations - helping to raise over \$1,800. Raven Trust helps financially back some of the most significant Indigenous-led legal challenges and is instrumental in supporting sovereignty and land back.
